

A. BOARD OF DIRECTORS

NACA's can have up to a maximum of a eleven member board. Two members are elected from each of the three Nunavut regions, and one non-voting member's. One additional member appointed to the board is a representative from BRCC to be a full voting member. They were elected by membership to offer support to Executive Director. All voting members have a two year term, alternating positions in each region except the BRCC position; this is the BRCC's board's decision as to who sits on the board. All members must be artists or affiliated members living and working in Nunavut or on behalf of Nunavut.
